Blaze Bayley - Encyclopaedia Metallum: The Metal Archives

It was the tactic of Lenin, Hitler, and Mussolini. In the collectivist sweep over a dozen minor countries of Europe, it was the cry of men striving to get on horseback. And "emergency" became the justification of the subsequent steps. This technique of creating emergency is the greatest achievement that demagoguery attains.

The Role of Women in Soviet Russia | Guided History

The Italian Marxist Antonio Gramsci developed the key concept of cultural hegemony during his imprisonment by the Italian state under Mussolini's fascist rule. In his Prison Notebooks[^1] (w. 1929-1935), he posited how dominant class ideology took shape and exerted its influence through the manufacture of consent. Gramsci based his ideas of hegemony on the Marxist...
